Details of Audit Qualification	We draw attention to Note no. 7 of the Statement which describes the Investment in wholly owned subsidiary viz. PVP Capital Limited (PVPCL) by PHML. PVPCL's net worth stands at Rs. 515.20 lakhs (negative) as at 31 March 2023. PVPCL has also defaulted in statutory dues that are not remitted to the Government. The regulatory authority i.e. Reserve Bank of India ("RBI") may cancel the registration to carry the principal business activity as a Non-Banking Finance Company due to non-maintenance of minimum net owned fund of Rs. 200 lakhs as stated in the said note to the Consolidated financial results. PVPCL's inability to meet its financial liabilities, non-payment of statutory dues and in absence of visible cash flows, cast a doubt on the ability of PVPCL to continue as a going concern to achieve its future business plans. Taking into consideration the pending legal outcomes of the legal proceedings as well as liquidity constraints, the Component Auditors are unable to express their view whether it is appropriate to treat PVPCL as a going concern. Accordingly, We are unable to comment on the impact arising out of the same on the Consolidated financial results for the quarter and year ended 31 March 2023 including the consequential effects thereof.
